

Subject: Supply, install and operate two Reverse Osmosis (RO) desalination units (8-10m³/h) provided with Solar PV systems.

Reference: Tender (04 – Works – 2021) – Third Call

Procedure: Local Open Tender

- The National Agricultural Research Center (NARC) as Partner in PROSIM Project A_B.4.1_0317 intends to award the contract reference of the above subject with financial assistance from the European Union through ENI CBC Mediterranean Sea Basin (BL WP5.ES.PP1.111322 / WP5.ES.PP1.111354).
- The tender dossier is available at NARC (supplies and tenders directorate office) for a cost of 75 JD.
- Interested classified companies as 3th grade electro-mechanical and/or specialized water desalination companies and naming a specialized solar energy company experienced in solar energy systems licensed under the energy and minerals regulatory commission, are invited to request the tender dossier during 11-Oct-2021 to 12-Oct-2021 (2:00 pm) Jordan local time.
- Field visit for the sites will be arranged at Karameh Research Station in Jordan Valley on 10:00 am of 13-Oct-2021.
- Inquiries are to be delivered by email to amer.sweity@narc.gov.jo starting from 13-Oct-2021 to 14-Oct-2021 and will be answered on 20-Oct-2021.
- Interested companies should deliver their offers in hard copy exclusively by the applicant delegate at NARC premises in Baqa not later than 2:00 pm on 25-Oct-2021.
- Application guarantee of 3% of total offer cost should be presented within the offer.
- The received tender dossiers will be opened on 26-Oct-2021 at 10:00 am.
